FINANCIAL IMPACT SUMMARY
STATEMENT:

BACKGROUND:

Project clear is a manufacturer of commercial/residential windows and doors. The company is planning to move and expand operations to Bay County, Florida. The project will involve a capital investment of \$14 million and will create 150 new jobs with an average that is more than 115% of the average wage of the County. The company is already utilizing the Port of Panama City to import raw materials from Mexico.

To support this project, Project CLEAR and Bay EDA are requesting a support resolution from the Board to be provided to Triumph Gulf Coast for a grant in support of this project. This project will provide economic diversification and overall payroll increases to Bay County.
