**FINANCIAL IMPACT SUMMARY**

**STATEMENT:**

None

**BACKGROUND:**

The Florida Department of Transportation (FDOT) has funding available for off-system projects through the Transportation Regional Incentive Program (TRIP). County staff has prepared a TRIP grant application for the construction of a new roadway connection between Pipeline Road and Nehi Road. The proposed improvements include the construction of a segment of new roadway, as well as associated improvements to existing roadway segments, to create an overall seamless roadway network between the two existing roadways. A map showing the location of the intersection is attached (**Exhibit 1**).

A resolution is required by FDOT to be submitted as part of the application process for such grants. The draft Resolution of Support is attached (**Exhibit 2**) for execution by the chairman.
